General terms

9.1 The promoter reserves the right to verify the validity of every claim and to request additional documents, including a certified copy of the claimant's identity document, before a gift is issued.

9.2 Claims that are incomplete, illegible, fraudulent, submitted through automated means or that do not comply with these terms and conditions will be rejected without further correspondence.

9.3 Gifts are not transferable and cannot be exchanged for cash. If a gift becomes unavailable for reasons beyond the promoter's control, the promoter may substitute a gift of equal or greater value.

9.4 Gifts will be delivered within 60 days of a claim being approved. Vouchers are sent by SMS and email to the contact details provided with the claim; physical gifts are delivered by courier to a South African street address.

9.5 A device that is returned to the retailer for a refund after a claim is approved forfeits the gift. Where the gift has already been delivered, the promoter may recover its value from the claimant.

9.6 Employees of the promoter, the participating retailers and their advertising agencies, and their immediate family members, may not participate in this promotion.

9.7 Personal information is processed in accordance with the Protection of Personal Information Act, 2013, and is used only to administer this promotion unless the claimant consents otherwise.
